Blue numbers are the number of scores posted and this total includes 43 scores from Willow River.

As always, check the sheets for any needed changes and let me know. Now that we have had our last shoot it is important that I do any needed corrections sooner rather than later. Thanks for your help with keeping all the info correct!! This year more than ever!!!!!!

Cushing dropped out this year. There were 4 shooters who posted their second 50 for Cushing. I moved those 4 shooters to Grantsburg and dropped the Cushing sheet. This made no difference in team or individual scores.

Turn out this year was the most ever by 57 scores. Previous high was 904 in 2018. Willow River has shown an interest in getting back into the league.
