The 2023 host schedule was set up.

We re visited the Junior shooter rule change from last year. After some discussion the clubs voted to go back to 4 shoots to qualify for a trophy.

The cost of shooting was discussed and it was decided to raise the fees to \$12.00 for adults and \$5.00 for juniors.

Richardson Sportsman Club had shown and interest in joining our Sunday league. The clubs voted to have the Richardson Sportsman Club be part of our ISTL. Welcome to our league!

The availability of trap shells was discussed and we still suggest you bring your own ammo for the ISTL shoots.

Good Luck!!

BP

I have condensed the rules to only what is current. It still needs more work.

Shooting fees are \$12.00 for adults and \$5.00 for juniors. (2 rounds = 50 bird total)

Club dues are \$100.00 per season and are to be paid to the sec/treasurer before the first shoot.

ISTL shoots are Sundays on the 2nd & 4th full weekends of June and July and the 2nd full weekend in August. (5 shoots total)

Birds are to be the same color all day and set to fly to ATA regulations.

The shoots start at 9:00 AM and run until 5:00pm. All shooter must be signed up before 5:00pm.

If the host club wishes to get an early start they may. Each club can adjust the shooting hours if needed but must be posted in advance of the shoot.

A club can use more than 2 traps to speed up the shooting.

Team scores are on all 5 shoots and based on the top 7 scores.

Team trophies are 1st, 2nd and 3rd place.

High individual score will be the best 4 scores. You can miss a shoot and still qualify for a trophy.

Individual trophy's are Top Gun, plus 1st & 2nd in 4 Lewis classes, 1st & 2nd ladies,

1st & 2nd juniors. Junior shooters must be 12 to 17 years old on the date of the first shoot.

1st place senior trophy, seniors are 65 or older on the date of the 1st shoot.

The "junior team trophy" is based on the average of all the junior shooters from each club, but the club must have at least 4 junior shooter scores to be considered.

A club will average 7 shooters at away shoots but is allowed to have one shoot with less than seven shooters.

A shooter can get 1 trophy per year. The 100 bird event is a separate event with its own trophies.

It is possible to get 1 trophy in the 50 bird event and 1 trophy in the 100 bird event. If you win both you are the "Grand Champion".

Shooters have to shoot at least 1 score before the last shoot to have their score for the last shoot count, except for the host club.

If a trap cannot be repaired in an hour, shooters who were not able to shoot can register at that shoot and make it up at the next shoot.

The 100 Bird League

You shoot 50 for your HOME club 1st. If you shoot a second 50, it can be for another club or just the 100 bird. Once you make this choice, it is the same for the year. Home club is always 1st.

Good Luck,

Bob
