Subject: 2024 summer schedule

Trophies from the 2023 season should be at our 1st shoot of the season at the Amery Gun Club.

Shooting is 9:00 am to 5:00 pm unless posted otherwise.

The 2024 season has been set up as follows:

June 9	Amery Gun Club
June 23	Richardson Sportsman Club
July 14	River Falls Sportsman Club
July 28	Fishbowl Sportsman Club
August 11	Grantsburg Rod & Gun Club

2024 winter meeting minutes from 3/27/24 at Peer's Bar.

The meeting was called to order by President Dan Ruck.

The 2023 meeting minutes were read and approved.

The 2024 host schedule was set up.

The cost of shooting was discussed and it was decided to leave the fees at \$12.00 for adults and \$5.00 for juniors.

We had a discussion about the low turn out at the last shoot in Hudson where one club had no shooters post a score. This might be a topic for another year?

The availability of trap shells was discussed and we still suggest you bring your own ammo for the ISTL shoots.

The meeting was adjourned.

**Good Luck!!**

**BP**

I have condensed the rules to only what is current. It still needs more work.

Shooting fees are \$12.00 for adults and \$5.00 for juniors. ( 2 rounds = 50 bird total )

Club dues are \$100.00 per season and are to be paid to the sec/treasurer before the first shoot.

ISTL shoots are Sundays on the 2<sup>nd</sup> & 4<sup>th</sup> full weekends of June and July and the 2<sup>nd</sup> full weekend in August. ( 5 shoots total )

Birds are to be the same color all day and set to fly to ATA regulations.

The shoots start at 9:00 AM and run until 5:00pm. All shooter must be signed up before 5:00pm.

If the host club wishes to get an early start they may. Each club can adjust the shooting hours if needed but must be posted in advance of the shoot.

A club can use more than 2 traps to speed up the shooting.

Team scores are on all 5 shoots and based on the top 7 scores.

Team trophies are 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place.

High individual score will be the best 4 scores. You can miss a shoot and still qualify for a trophy.

Individual trophy's are Top Gun, plus 1<sup>st</sup> & 2<sup>nd</sup> in 4 Lewis classes, 1<sup>st</sup> & 2<sup>nd</sup> ladies,

1<sup>st</sup> & 2<sup>nd</sup> juniors. Junior shooters must be 12 to 17 years old on the date of the first shoot.

1<sup>st</sup> place senior trophy, seniors are 65 or older on the date of the 1<sup>st</sup> shoot.

The "junior team trophy" is based on the average of all the junior shooters from each club, but the club must have at least 4 junior shooter scores to be considered.

A club will average 7 shooters at away shoots but is allowed to have one shoot with less than seven shooters.

A shooter can get 1 trophy per year. The 100 bird event is a separate event with its own trophies.

It is possible to get 1 trophy in the 50 bird event and 1 trophy in the 100 bird event. If you win both you are the "Grand Champion".

Shooters have to shoot at least 1 score before the last shoot to have their score for the last shoot count, except for the host club.

If a trap cannot be repaired in an hour, shooters who were not able to shoot can register at that shoot and make it up at the next shoot.

### The 100 Bird League

You shoot 50 for your HOME club 1<sup>st</sup>. If you shoot a second 50, it can be for another club or just the 100 bird. Once you make this choice, it is the same for the year. Home club is always 1<sup>st</sup>.

Good Luck,

Bob
